Llanbrynmair Community Field

Last year the community field was opened to the public and we now need to get feedback on its use and make plans for further developments.

We want to create safe outdoor play and exercise opportunities for all age groups but need your help and ideas.

The cost of mowing is £2000 each year which is paid by Llanbrynmair Wind Farm Trust. Occasionally other grant funds become available and in order to apply for them we need to demonstrate community involvement and initiative.

Please would you answer the questions below and return the form to Jo at the shop, Llanbrynmair School or to Sarah Reast, the Clerk at the above address. Please bear in mind that the field has to be cleared every year for the show to take place so permanent structures cannot be installed except at the outside edges.

Would you like to have extra facilities/equipment on the field, eg: goal posts, benches, landscaped areas, path for better disabled access etc?	
Would you like to see organised activities taking place on the field with qualified activity leaders/providers? If so, what sort of activities, eg: park runs, children's games, football matches etc?	
Would you be willing to be part of a committee group to help develop the field? If yes, please put your contact details here	
Any other ideas or comments?
